

## **CODIPRO presentation**

### **Long description > 200 words (247 words)**

**CODIPRO** is based in Wiltz and employs around twenty people. It designs and manufactures high quality **swivel lifting rings**. They are patented, comply with the strictest safety standards and are particularly suitable for lifting and rotating heavy loads.

Its customers are mainly traders in lifting and handling equipment, general mechanical engineering companies, the mould industry (production or use of plastic or metal injection moulds) and manufacturers or handlers of heavy and/or bulky machinery.

At the end of 2011 **CODIPRO** won the 1st Export Award granted by the Luxembourg Chamber of Commerce and Export Credit Guarantee Office and it exports to more than 40 countries worldwide.

**CODIPRO swivel lifting rings** satisfy the strictest standards and conform to its **ISO 9001** quality management system.

**CODIPRO** holds the **RSE** label (for corporate social responsibility) and is recognised as a company that integrates the three pillars of sustainable development: the social dimension and equal opportunities, governance and the environment

**ISO 14001** certification demonstrates its commitment to minimising the environmental impact of its activities and the **SuperDrecksKëscht® fir Betriber** label confirms its involvement in waste prevention, management and reduction.

**CODIPRO** also holds the **Made in Luxembourg** label and is a member of **MLQ** (Luxembourg Movement for Quality).

The company belongs to the [ALIPA Group](#), composed of 7 companies: [CODIPROLux](#) (design and manufacture of **swivel** lifting rings), [CODIPRO](#) (screws and bolts) [NO-NAIL BOXES](#) (collapsible plywood boxes), [ALLPACK Services](#) and [WALUPACK Services](#) (packaging and shipping), [LIFTEUROP](#) and [STAS](#) (manufacture of lifting accessories and equipment).
